Message from the Mayor and CEO

Thank you for sharing your ideas and priorities with us during the community consultation for this budget. Your feedback has helped us produce a budget that supports the broad range of services and facilities that our growing community needs. It supports programs like immunisation, childcare and kindergarten. It funds our parks, libraries and leisure centres, and supports our business and creative communities. It enables us to plan for sustainable growth, harness new technologies, improve our network of roads, pursue innovative solutions to waste collection, and much more.

The budget continues to deliver on our long-term vision to become smarter and more sustainable through our use of innovative technologies. This year we will continue to source 100% of our electricity needs from renewable sources, including a major new windfarm in regional Victoria. We are helping to drive construction of the wind farm with our partners in the Melbourne Renewable Energy Project. This is just one part of our sector-leading response to the climate emergency facing our city and our world. This year we are partnering with the Yarra Energy Foundation to deliver a Climate Emergency Plan that empowers every member of the Yarra community to reduce their carbon emissions.

We're embracing a smart city approach to provide a more targeted, timely and cost-effective service for the community. Our new Thinxtra wireless network allows us to track Council assets in real time. At first, we will use the network to tell us when a public bin needs to be emptied. Other uses might include telling us when to replace a street light or service a public toilet. These innovations ensure that every budget dollar works harder and smarter for the Yarra community.

This year's budget also supports our trailblazing recycling trial. Participating households will receive a glass collection, a food and green waste collection, and a standard recycling collection. Collecting glass separately will provide the material to resurface local roads. It will also reduce the amount of waste going to landfill, and boost the quality of our regular recycling, which is often contaminated by glass fragments. And by demonstrating the potential for local recycling markets, we will be leading the response on the recycling crisis affecting Victoria.

This budget includes \$31.2m worth of capital works and new initiatives, including upgrades and renewals for facilities cherished by their local communities:

- \$2.4m for upgrades to facilities at Ryans Reserve and Kevin Bartlett Reserve, Richmond
- \$1.4m for traffic and safety initiatives in Abbotsford, North Fitzroy and Richmond
- \$1m for trees throughout Yarra (a \$200,000 increase over last year)
- \$900,000+ for bicycle infrastructure across Yarra, including completing the bike lane in Wellington Street, Collingwood
- \$360,000 to improve streetscapes in Swan Street and Bridge Road, Richmond
- \$485,000 for improving storage and designing enhancements to Panther Pavilion boating facilities in Fairfield Park, Fairfield
- \$70,000 to redevelop the Carlton Library Courtyard
- \$60,000 to make Council Meetings more accessible via livestreaming

Thank you for your interest in our budget for 2019/20. We have worked hard to deliver a budget brimming with innovation and creativity, while preserving a strong and sustainable financial position for the city, all within the constraints of the 2.5% cap on average rate increases.

Cr Danae Bosler Mayor Vijaya Vaidyanath Chief Executive Officer

The financial snapshot below shows Council's key financial statistics:

Grants	\$	2.84	\$	2.42	
Open Space Reserve contributions	\$	2.65	\$	1.09	
Borrowings	\$	-	\$	-	

Commentary on the financial snapshot:

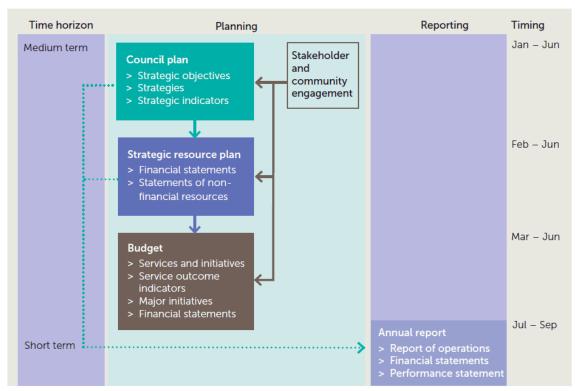

- Total Revenue is decreasing from forecast to budget next year due to the \$17.5m one off grant Council will receive for the Fitzroy Depot relocation. The money is forecast to be received in 2018-19 and will be spent over future years via the capital program.
- The Operating Cash Result decreases for the same reason.
- The Comprehensive Operating Surplus increases due to the revaluation of Council's assets in that year \$52m non-cash accounting entry and this is offset by the decrease in the grants funds mentioned above.
- The cash received for the grant will form part of Council's cash holdings at the end of each year, until the project is complete, which is why the cash at bank at the end of the year for the next few years is at a high level. This cash is restricted for future use on the capital project to relocate the Depot.

1. Link to the Council Plan

This section describes how the Annual Budget links to the achievement of the Council Plan within an overall planning and reporting framework. This framework guides the Council in identifying community needs and aspirations over the long term, medium term (Council Plan) and short term (Annual Budget) and then holding itself accountable (Annual Report).

1.1 Planning and accountability framework

The Strategic Resource Plan, part of and prepared in conjunction with the Council Plan, is a rolling fouryear plan that outlines the financial and non-financial resources that Council requires to achieve the strategic objectives described in the Council Plan. The Annual Budget is framed within the Strategic Resource Plan, considering the services and initiatives which contribute to achieving the strategic objectives specified in the Council Plan. The diagram below depicts the planning and accountability framework that applies to local government in Victoria.

Source: Department of Environment, Land, Water and Planning

The timing of each component of the planning framework is critical to the successful achievement of the planned outcomes.

1.2 Our purpose

Our vision

A vibrant, liveable and sustainable inner city that the community can be proud of.

Our values

We aim to achieve the greatest outcomes for the community through delivering our Council Plan and working with, and for, all in Yarra. Out values guide our conduct and working relationships with colleagues and the community.

INTEGRITY

Honesty. Fairness. Transparency.

We communicate clearly and apply policies and procedures with discretion, judgement and sensitivity for equitable outcomes.

ACCOUNTABILITY

Ownership, Leadership, Initiative

We take responsibility for our actions and welcome feedback. We follow through on obligations and commitments promptly, and willingly achieve agreed goals and standards.

TEAMWORK

Support. Collaboration. Encouragement.

We acknowledge we are one organisation in which every person plays and important role. We build positive working relationships across all teams and groups and in our interactions with the wider community. We engage our colleagues, value their experiences and share our resources.

RESPECT

Understanding. Empathy. Courtesy.

We celebrate diversity and value different opinions, views and working styles. We seek to understand expectations and differing needs then respond appropriately.

INNOVATION

Lead. Learn. Improve.

We tackle challenges and try new things. We strive for a learning culture. We embrace change and are not hampered by fear. We learn from our actions and experiences. We seek and provide feedback. We further develop our knowledge and skills.

SUSTAINABILITY

Environmental. Economic. Social. Cultural.

Our long-term vision guides our investment in the future to promote the health and resilience of our organisation and our community.

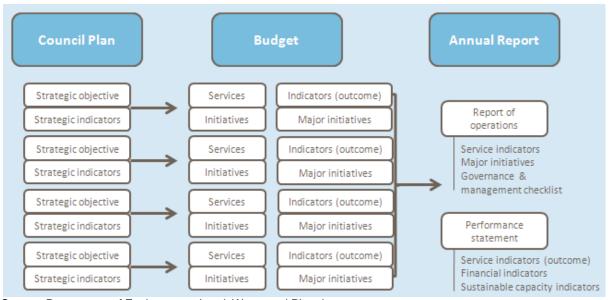

1.3 Strategic objectives

Council delivers services and initiatives across a number of Branches and Business Units. Each contributes to the achievement of one of the Strategic Objectives as set out in the Council Plan incorporating the Municipal Public Health and Wellbeing Plan for the years 2017-21. The following table lists the seven Strategic Objectives as described in the Council Plan.

Strategic Objective	Description
A healthy Yarra: Community health, safety and wellbeing are a focus in everything we do	Council plays a key role in contributing to our community's health and wellbeing. From delivering maternal and child health services to ensuring access to open space, enforcing noise regulations to supporting community and cultural initiatives, community health, safety and wellbeing is central to everything we do.
An inclusive Yarra: Inclusion, diversity and uniqueness are welcomed, respected and celebrated	Identity was a passionate and recurring theme throughout community consultation for the Council Plan. Our community values its diversity. Creating a safe place where people of all ages, genders, sexualities, abilities, cultures and backgrounds feel welcome and connected is a priority for Council.
A sustainable Yarra: Council leads on sustainability and protects and enhances its natural environment	As Victoria's first carbon-neutral council, we are proud of our commitment to sustainability. Protecting our natural environment and supporting our community to reduce its environmental footprint will continue to be a priority for Council.
4. A liveable Yarra: Development and growth are managed to maintain and enhance the character and heritage of the city	With demand for inner city housing increasing, Council is mindful of the importance of balancing the needs of new and existing residents, and ensuring that development does not encroach on the amenity or heritage of our city.
5. A prosperous Yarra: Local businesses prosper and creative and knowledge industries thrive	Yarra is a great place to do business and to work. Supporting local businesses and creative industries not only contributes to Yarra's economy, but also increases local employment opportunities, enhances street life and fosters community connectedness.
6. A connected Yarra: Connectivity and travel options are environmentally sustainable, integrated and well-designed	Council is committed to creating a city that is accessible to all irrespective of levels of personal mobility, to support a fulfilling life without the need for a car.
7. A leading Yarra: Transparency, performance and community participation drive the way we operate	Council is committed to change through an energised, cohesive team of professionals, recognised for our leadership, innovation and service.

2. Services and initiatives and service performance outcome indicators

This section provides a description of the services and initiatives to be funded in the Budget for the 2019/20 year and how these will contribute to achieving the strategic objectives outlined in the Council Plan. It also describes several initiatives and service performance outcome indicators for key areas of Council's operations. Council is required by legislation to identify major initiatives, initiatives and service performance outcome indicators in the Budget and report against them in their Annual Report to support transparency and accountability. The relationship between these accountability requirements in the Council Plan, the Budget and the Annual Report is shown below.

2.3 Strategic Objective 3

A sustainable Yarra:

a place where...Council leads on sustainability and protects and enhances its natural environment

As Victoria's first carbon-neutral council, we are proud of our commitment to sustainability. Protecting our natural environment and supporting our community to reduce its environmental footprint will continue to be a priority for Council.

Council's work to achieve this Strategic Objective will include the following strategies:

- 3.1 Investigate strategies and initiatives to better manage the long term effects of climate change
- 3.2 Support and empower a more sustainable Council and Community
- 3.3 Lead in sustainable energy policy and deliver programs to promote carbon neutral initiatives for the municipality and maintain Council as a carbon neutral organisation
- 3.4 Reduce the amount of waste-to-landfill with a focus on improved recycling and organic waste disposal
- 3.5 Promote responsible water usage and practices
- 3.6 Promote and facilitate urban agriculture with a focus on increasing scale and uptake in the community
- 3.7 Investigate strategies and initiatives to improve biodiversity

2.5 Strategic Objective 5

A prosperous Yarra a place where...Local businesses prosper and creative and knowledge industries thrive

Yarra is a great place to do business and to work. Supporting local businesses and creative industries not only contributes to Yarra's economy, but also increases local employment opportunities, enhances street life and fosters community connectedness.

Council's work to achieve this Strategic Objective include the following strategies:

- 5.1 Maintain and strengthen the vibrancy and local identity of retail and commercial precincts
- 5.2 Strengthen and monitor land use change and economic growth including new and emerging economic clusters
- 5.3 Create local employment opportunities by providing targeted and relevant assistance to facilitate business growth, especially for small and medium size enterprises and entrepreneurs through the attraction and retention of businesses
- 5.4 Develop Innovative Smart City solutions in collaboration with government, industry and community that use technology to embrace a connected, informed and sustainable future
- 5.5 Facilitate and promote creative endeavour and opportunities for the community to participate in a broad range of arts and cultural activities
- 5.6 Attract and retain creative and knowledge industries in Yarra

3. Financial statements

This section presents information in regard to the Financial Statements and Statement of Human Resources. The budget information for the year 2019/20 has been supplemented with projections to 2022/23 extracted from the Strategic Resource Plan.

This section includes the following financial statements prepared in accordance with the *Local Government Act 1989* and the *Local Government (Planning and Reporting) Regulations 2014*.

Comprehensive Income Statement Balance Sheet Statement of Changes in Equity Statement of Cash Flows Statement of Capital Works Statement of Human Resources

Pending Accounting Standards

The 2019-20 budget has been prepared based on the accounting standards applicable at the date of preparation. This means that pending accounting standards that will be in effect from the 2019-20 financial year have not been considered in the development of the budget.

Standards that are likely to impact on the 2019-20 financial statements, not considered in the preparation of the budget include:

- AASB 16 Leases
- AASB 15 Revenue from Contracts with Customers, and
- AASB 1058 Income of Not for Profit Entities.

While it is not possible to determine the precise impact of these standards at this time, the broad impact on Council is estimated to be as follows:

- AASB 16 Leases Introduces a single lessee accounting model whereby the Council will be required to recognise a right of use asset and associated liability for leases longer than 12 months, except those considered to be of low value.
- AASB 15 Revenue from Contracts with Customers and AASB 1058 Income of Not for Profit
 Entities Changes the way that Councils recognise income and also address matters such as
 grant funding, contribution of assets and volunteer services. A key change is replacement for
 some transactions of the criteria of control as a determinant of the timing of income recognition,
 with the criteria of satisfying performance obligations in an enforceable agreement. These new
 standards have the potential to impact the timing of how the Council recognises income.

4. Notes to the financial statements

This section presents detailed information on material components of the financial statements.

4.1 Comprehensive Income Statement

4.1.1 Rates and charges

Rates and charges are required by the Act and the Regulations to be disclosed in Council's annual budget.

In developing the Strategic Resource Plan, rates and charges were identified as an important source of revenue. Planning for future rate increases has therefore been an important component of the Strategic Resource Planning process. The Fair Go Rates System (FGRS) sets out the maximum amount councils may increase rates in a year. For 2019/20 the FGRS cap has been set at 2.5%. The cap applies to both general rates and municipal charges and is calculated on the basis of council's average rates and charges.

The level of required rates and charges has been considered in this context, with reference to Council's other sources of income and the planned expenditure on services and works to be undertaken for the community. To achieve these objectives while maintaining service levels and a strong capital expenditure program, the average general rate and the municipal charge will increase by 2.5% in line with the rate cap.

Total rates and charges for 2019/20 will be \$112,465,000.

Council will also continue to offer an additional pensioner rate rebate which for the 2019/20 year will be \$187.10 (2018-19 \$182.50).

4.1.1(a) The reconciliation of the total rates and charges to the Comprehensive Income Statement is as follows:

	2018-19 Forecast Actual \$'000	2019/20 Budget \$'000	Change \$'000	%
	ΨΟΟΟ	Ψ 000	Ψ 000

4.1.1(I) Fair Go Rates System Compliance

Yarra City Council is required to comply with the State Government's Fair Go Rates System (FGRS). The table below details the budget assumptions consistent with the requirements of the Fair Go Rates System.

	2018/19		2019/20
Total Rates	\$	107,422	\$ 111,182
Number of rateable properties		53,575	54,579

Capped Average Rate	\$	2,005.08	\$ 2,037.08
Maximum General Rates and Municipal Charges Revenue	\$	107,422	\$ 111,182

4.1.1(m) Any significant changes that may affect the estimated amounts to be raised by rates and charges.

There are no known significant changes which may affect the estimated amounts to be raised by rates and charges. However, the total amount to be raised by rates and charges may be affected by:

- The making of supplementary valuations (2019/20: estimated \$1.1m and 2018/19: \$1.2m)
- The variation of returned levels of value (e.g. valuation appeals)
- Changes of use of land such that rateable land becomes non-rateable land and vice versa
- Changes of use of land such that residential land becomes business land and vice versa.

4.1.1(n) Differential rates

Council does not have any differential rates.

Asset Revaluation Increment		52,204	52,204	100.00%
Total Asset Revaluation	-	52,204	52,204	100.00%

Council is required to perform a revaluation of all of its assets every two years, in accordance with the Accounting Standards. 2019/20 is the next financial year that this is required. It is a non-cash entry, however it is required to be recognised in the Income Statement as revenue.

4.2 Balance Sheet

4.2.1 Assets

Council's cash and cash equivalents will decrease from \$78.5m to \$53.8m over the four years of the Strategic Resource Plan (SRP) which mainly relates to repayment of loan liability and also substantial capital works programs in these years.

Council's trade and other receivables are anticipated to decrease from \$13.3m to \$10.1m over the same period.

Non-current assets of property, infrastructure, plant and equipment is expected to increase from \$1.975b to \$2.089b over the four years of the SRP.

4.2.2 Current Liabilities

Council's current liabilities are expected to increase marginally over the four years of the SRP, increasing from \$34.6m to \$37.7m.

Council's non-current liabilities are expected to decrease as Council continues to reduce its loan borrowings over the longer term.

4.2.3 Borrowings

The table below shows information on borrowings specifically required by the Regulations.

	2018/19 \$	2019/20 \$
Amount borrowed as at 30 June of the prior year	44,867	43,725
Amount to be borrowed	-	-
Amount to be redeemed	(1,142)	(1,195)
Amount of borrowings as at 30 June	43,725	42,530

4.3 Statement of changes in Equity

4.3.1 Reserves

Within the equity section of the balance sheet, Council has Asset Revaluation Reserves, Statutory Reserves, and General Reserves.

The asset revaluation reserve reflects movements in the value of Council's property and infrastructure assets. It is a non-cash reserve, backed by the value of Council's non-current property and infrastructure assets.

The statutory reserves comprise funds received from external parties for specific purposes such as parking and open space. They are restricted funds and cash backed.

The general reserve holds the transfer of the acquittal of open space funds up to 2015/16. This reserve is not cash backed, nor does it need to be, as it was an accounting entry made at year end to reflect the acquittal of the statutory funds received to that date.

4.3.2 Equity

Council's equity will increase from \$1.988m to \$2.085 over the four years of the SRP.

4.4 Statement of Cash Flows

4.4.1 Net cash flows provided by/(used in) operating activities

Council's net cash provided by operating activities will increase from \$36.9m to \$39.6m over the four years of the SRP.

4.4.2 Net cash flows provided by/(used in) investing activities

Net cash outflows for investing activities is expected to increase from \$30.7m to \$38.1m over the four years of the SRP. The majority of this outflow is for the Capital Works program each year.

4.4.3 Net cash flows provided by/(used in) financing activities

Net cash used in financing activities is anticipated to increase from \$3.2m to \$5.8m over the four years of the SRP as Council continues to have a focus on reducing debt.

4.5 Capital works program

This section presents a listing of the capital works projects that will be undertaken for the 2018/19 year, classified by expenditure type and funding source. Works are also disclosed as current budget or carried forward from prior year.

Key to Forecast Trend:

- + Forecasts improvement in Council's financial performance/financial position indicator
- o Forecasts that Council's financial performance/financial position indicator will be steady
- Forecasts deterioration in Council's financial performance/financial position indicator

Notes to indicators

1. Adjusted underlying result

Council's adjusted underlying result is expected to improve and trend favourably over the period of the Strategic Resource Plan (SRP).

2. Working Capital

Liquidity is forecast to decline, in order to achieve higher spending on capital replacement. The decrease in 2020/21 is the result of Council's \$32.5m interest only loan becoming a current liability in that year (as it is due to be repaid in 2021/22). This has an impact on the ratio only, as Council will be refinancing the loan.

3. Unrestricted Cash

Unrestricted cash is forecast to decline, in order to achieve higher spending on capital replacement, and in order to ensure statutory open space reserves are cash backed.

4. Debt compared to rates

Debt is expected to reduce over the period of the SRP with loan principal repayments being made and rate revenue increasing.

5. Asset renewal

Forecast asset renewal expenditure is expected to meet the requirements of Council's assets.

6. Rates concentration

Council's rates concentration is expected to remain consistent over the period of the SRP. Rate revenue continues to be an important source of revenue for Council to be able to deliver services and renew its assets.
