VIC 3121

INFORMATION

IN1	A courtesy letter is required letter for any full road closures (includes laneways and right of ways) and or approved detour routes as indicated on your traffic management plan. The letter must be approved by Council before distributing. There is a requirement for seven days notification to properties within 100m of the closure.
IN2	A Pre-Removal drawing or plan is required when council assets must be temporarily removed prior to works commencing. The pre removal drawing or plan must be fully dimensioned and show existing structure, set out points of reference and their location relevant to fixed points on site. Clear & detailed photographs of Council's asset must be provided.
IN3	<p>An Application for a ground water monitoring well must include the following additional information: (this information should be submitted together with the completed application form):</p> <ul style="list-style-type: none"> • Purpose of Well • Details of Responsible Owner • Site plan with exact locations of well or wells • Life of well • Sampling Frequency • Details of Well construction and maintenance including cleaning and management • Written Confirmation from property Owner. Must include; <ul style="list-style-type: none"> * <i>That (the property owner(s)) indemnify Council, its servants and agents for the life of the well against injury and or property damage or losses directly related to the existence of the well, and;</i> * <i>That (the property owner(s)) indemnify Council, its servants and agents for any accidental damage to the well due to roadwork's and against any additional costs which may be incurred by Council whilst performing road works where the additional costs are directly related to the existence of the wells;</i> <p>(Council will require a certificate of currency as proof of the above noting the endorsements. We will however accept the property owner(s) sign off on the additional indemnity provisions should your insurer refuse to consent.)</p> <p>A Deed of Indemnity will be prepared by council's legal representative at a cost of \$1095 plus GST. An invoice will be issued to you detailing all costs and must be paid prior to the consent being issued.</p>
IN4	Regulation 133 – Storm Water Drainage/ Legal Point of Discharge is required where stormwater from a property is lawfully discharged to councils assets, e.g. underground pipe or street channel. This information will be given in writing on request and on payment of a fee. https://www.yarracity.vic.gov.au/services/building-in-yarra/stormwater-drains-and-legal-point-of-discharge
