

A Child Safe Yarra

Every child and young person has the right to be safe and feel safe at all times.

At Yarra, your safety is our priority.

We want all children and young people in our community to be safe, happy and thrive.

No adult should behave in a way that makes you feel unsafe or afraid, including anyone your family, at school, the services and programs you attend, or anywhere else in the community.

If you are feeling unsafe, tell an adult you trust, or speak to one of our staff members. This can be someone you already know, or anyone else who works or volunteers at Yarra.

We are here to help and will take your concerns seriously.
