## CAT TRAPPING PROGRAM CONDITIONS

Council has strict conditions that need to be adhered to when using a cat trap. If any of these conditions are not adhered to, the trap will be removed by the Animal Management Officer immediately.

- Cat traps are to be used to catch cats only. They are not permitted to be used to trap wildlife for any reason. Penalties can apply for catching wildlife.
- Cat traps are only to be set between sunset and sunrise Sunday to Thursday unless otherwise authorised. Friday and Saturday Evenings are excluded.
- Council must be contacted on 9205 5555 between 9.00am and 10.00am Monday to Friday to collect any trapped cats.
- The cat trap must be kept in a shady or sheltered position. Sufficient water and food must be provided at all times. (The back plate may be lifted slightly, and a water bowl put in). The cat trap should be covered with a towel or blanket to help calm the cat until it is collected by an Animal Management Officer.
- The cat trap is provided for up to a maximum of seven days and is to be returned whether or not a cat has been caught.
- Any cats caught must be dealt with under the provisions of the Domestic Animals Act 1994 and by an authorised officer only.
- Once a trap is in the possession of the applicant, it remains the responsibility of that person until returned. A fee of \$120.00 will be charged if the trap is damaged, lost or stolen.
- Traps are constructed in such a manner to allow for the humane capture of cats under current legislation. They are not to be altered or modified in any manner.
- Traps are only to be placed on the property occupied by the complainant.
- Photo identification is required prior to receiving the cat trap. i.e Drivers Licence, Passport, etc.

If you have any questions before applying, please contact Compliance on 9205 5555 or alternatively by submitting a request online at [www.yarracity.vic.gov.au](http://www.yarracity.vic.gov.au)
